Objective

Motivated and creative web development enthusiast with a strong foundation in front-end technologies like **HTML, CSS, JavaScript, Wordpress, Bootstrap, jQuery, React, Next.js**. Eager to join a dynamic team as an intern or entry-level developer to contribute to real-world projects and gain hands-on industry experience.

Skills

- **Languages & Tools**: HTML5, CSS3, JavaScript, jQuery, Bootstrap, React.js, Next.js

- **Design & Development**: Responsive Web Design, Figma, UI/UX Principles, VS Code, GitHub

Projects

- **Personal Portfolio Website –** Crafted using Next.js and Tailwind CSS to showcase projects and skills.

- **Developer Nomination Platform –** Built with Next.js (App Router), CSS Modules, and client-side API integration.

→ More projects are available on my GitHub.

Education

Master of Computer Applications (ongoing), Lovely Professional University, Distance Mode.

Bachelor of Computer Applications, PGGCG-42 Punjab University, Chandigarh.

Internship Experience

Frontend Intern | Supreme Technologies, Mohali | 7 July 2024 – 8 October 2024

- Trained in front-end technologies like HTML, CSS, JavaScript, Bootstrap, React.

- Gained practical experience by building responsive web pages and UI components.

- Applied UI/UX principles and modern design techniques in guided projects.

- Strengthened development skills through hands-on tasks and real-time problem-solving.
